Re: Technology Transfer
Date: July 1, 2006

The Office of Technology Transfer's operating costs have increased significantly in the past few years. For the continuous success of the University's technology transfer operation, the following two decision have been made by the Office of the Vice President for Research effective July 1, 2006:

- 1) For all research agreements drafted by the Office of Technology Transfer's staff: The "Office of Technology Transfer Administrative Fee" will increase from ten percent (10%) to seventeen percent (17%) of the total research budget.
- 2) For all license and option agreements: The "Office of Technology Transfer Administrative Fee" will be twenty percent (20%) of the total gross revenues received by the University pursuant to any license/option agreement.
